

## Menu Selection And Final Head Count Necessary One Week Prior To Party Date

### *Birthday Party Rules and Regulations*

- All parties are drop-off parties.
- Parents and immediate family may stay.
- Parties will not begin until all other parents leave the school.
- All guests must be paid for.
- Anyone eating is considered a paying guest.
- Anyone participating in the party will be considered a paying guest.
- Absolutely no outside food or drinks for anyone are permitted in the school.
- No tablecloths are permitted as we work directly on your tables.
- You are welcome to supply goodie bags and or favors other than those provided by Classic Thyme.
- All parties will finish on time, even if guests arrive late, as we have the school scheduled for many events. Please have your guests there on time.
- Please don't even think about bringing hot coffee or tea in with children present.

*Please understand that these rules are necessary as safety is our utmost concern. These rules were developed as a result of years of experience conducting thousands of cooking class parties. We have a tremendous number of people returning year after year and enjoying many happy memories. We want to ensure that your child will have the same wonderful experience. Following the rules will make this possible and consistent. Part of the mystique of these parties is that children are working in an adult environment. The only way we can do this safely is to abide by the rules.*

### **Thank you for your cooperation and patronage.**

\$50.00 deposit required to reserve date. Dates will not be held until deposit is received. Deposit is non-refundable for cancellations. Classic Thyme reserves the right to cancel. Adult Gourmet Parties also available.
